MOSCA POLYPROPYLENE STRAP SPECIFICATION

Polypropylene Strap - machine quality

Article No.	Dimensions (mm)	Sleeve (mm)	Roll length	Average Tensile strength
PPA 5040 / 150 / 6500	5 x 0,40	150 x 160	6.500 m	43 kg
PPA 5047 / 150 / 5300	5 x 0,47	150 x 160	5.300 m	50 kg
PPA 5047 / 150 / 6200	5 x 0,47	150 x 160	6.200 m	50 kg
PPA 5047 / 150 / 6500	5 x 0,47	150 x 160	6.500 m	50 kg
PPA 5040 / 200 / 7000	5 x 0,40	200 x 190	7.000 m	43 kg
PPA 5047 / 200 / 6500	5 x 0,47	200 x 190	6.500 m	50 kg
PPA 5047 / 200 / 7000	5 x 0,47	200 x 190	7.000 m	50 kg
PPA 5047 / 200 / 7500	5 x 0,47	200 x 190	7.500 m	50 kg
PPA 6050 / 200 / 5000	6 x 0,50	200 x 190	5.000 m	65 kg
PPA 8040 / 200 / 5000	8 x 0,40	200 x 190	5.000 m	75 kg
PPA 8050 / 200 / 4000	8 x 0,50	200 x 190	4.000 m	80 kg
PPA 8075 / 200 / 3200	8 x 0,75	200 x 190	3.200 m	85 kg
PPA 9050 / 200 / 4000	9 x 0,50	200 x 190	4.000 m	90 kg
PPA 9055 / 200 / 4000	9 x 0,55	200 x 190	4.000 m	95 kg
PPA 1050 / 200 / 3700	10 x 0,50	200 x 190	3.700 m	95 kg
PPA 1255 / 200 / 3000	12 x 0,55	200 x 190	3.000 m	100 kg
PPA 1260 / 200 / 3000	12 x 0,60	200 x 190	3.000 m	110 kg
PPA 1265 / 200 / 2500	12 x 0,65	200 x 190	2.500 m	120 kg
PPA 1555 / 200 / 2500	15 x 0,55	200 x 190	2.500 m	115 kg

Standard color black/white; other colors and dimensions on request

Mosca offers a large range of high quality strapping materials in both PP (Polypropylene) and PET (Polyester) which work in perfect synergy with Mosca strapping machines. A perfect solution for securing pallets, packages, totes and cardboard packaging for transportation.

Mosca's product portfolio has a machine suitable for any requirement; from compact semiautomatic free-standing machines suitable for strapping smaller packages, to large fully automated strapping machines which can strap whole pallets of heavy goods and can be integrated into existing or new production lines. Our strap also comes in an array of sizes, widths, thicknesses and colors.

Due to innovative and ground-breaking technology and application-oriented strapping, Mosca is able to provide excellence in strapping solutions across a multitude of industry sectors.
