THE RIGHT PRODUCTS, PRESENTED BY THE  
RIGHT PROFESSIONALS, ARE WHAT YOU NEED TO

**THRIVE**

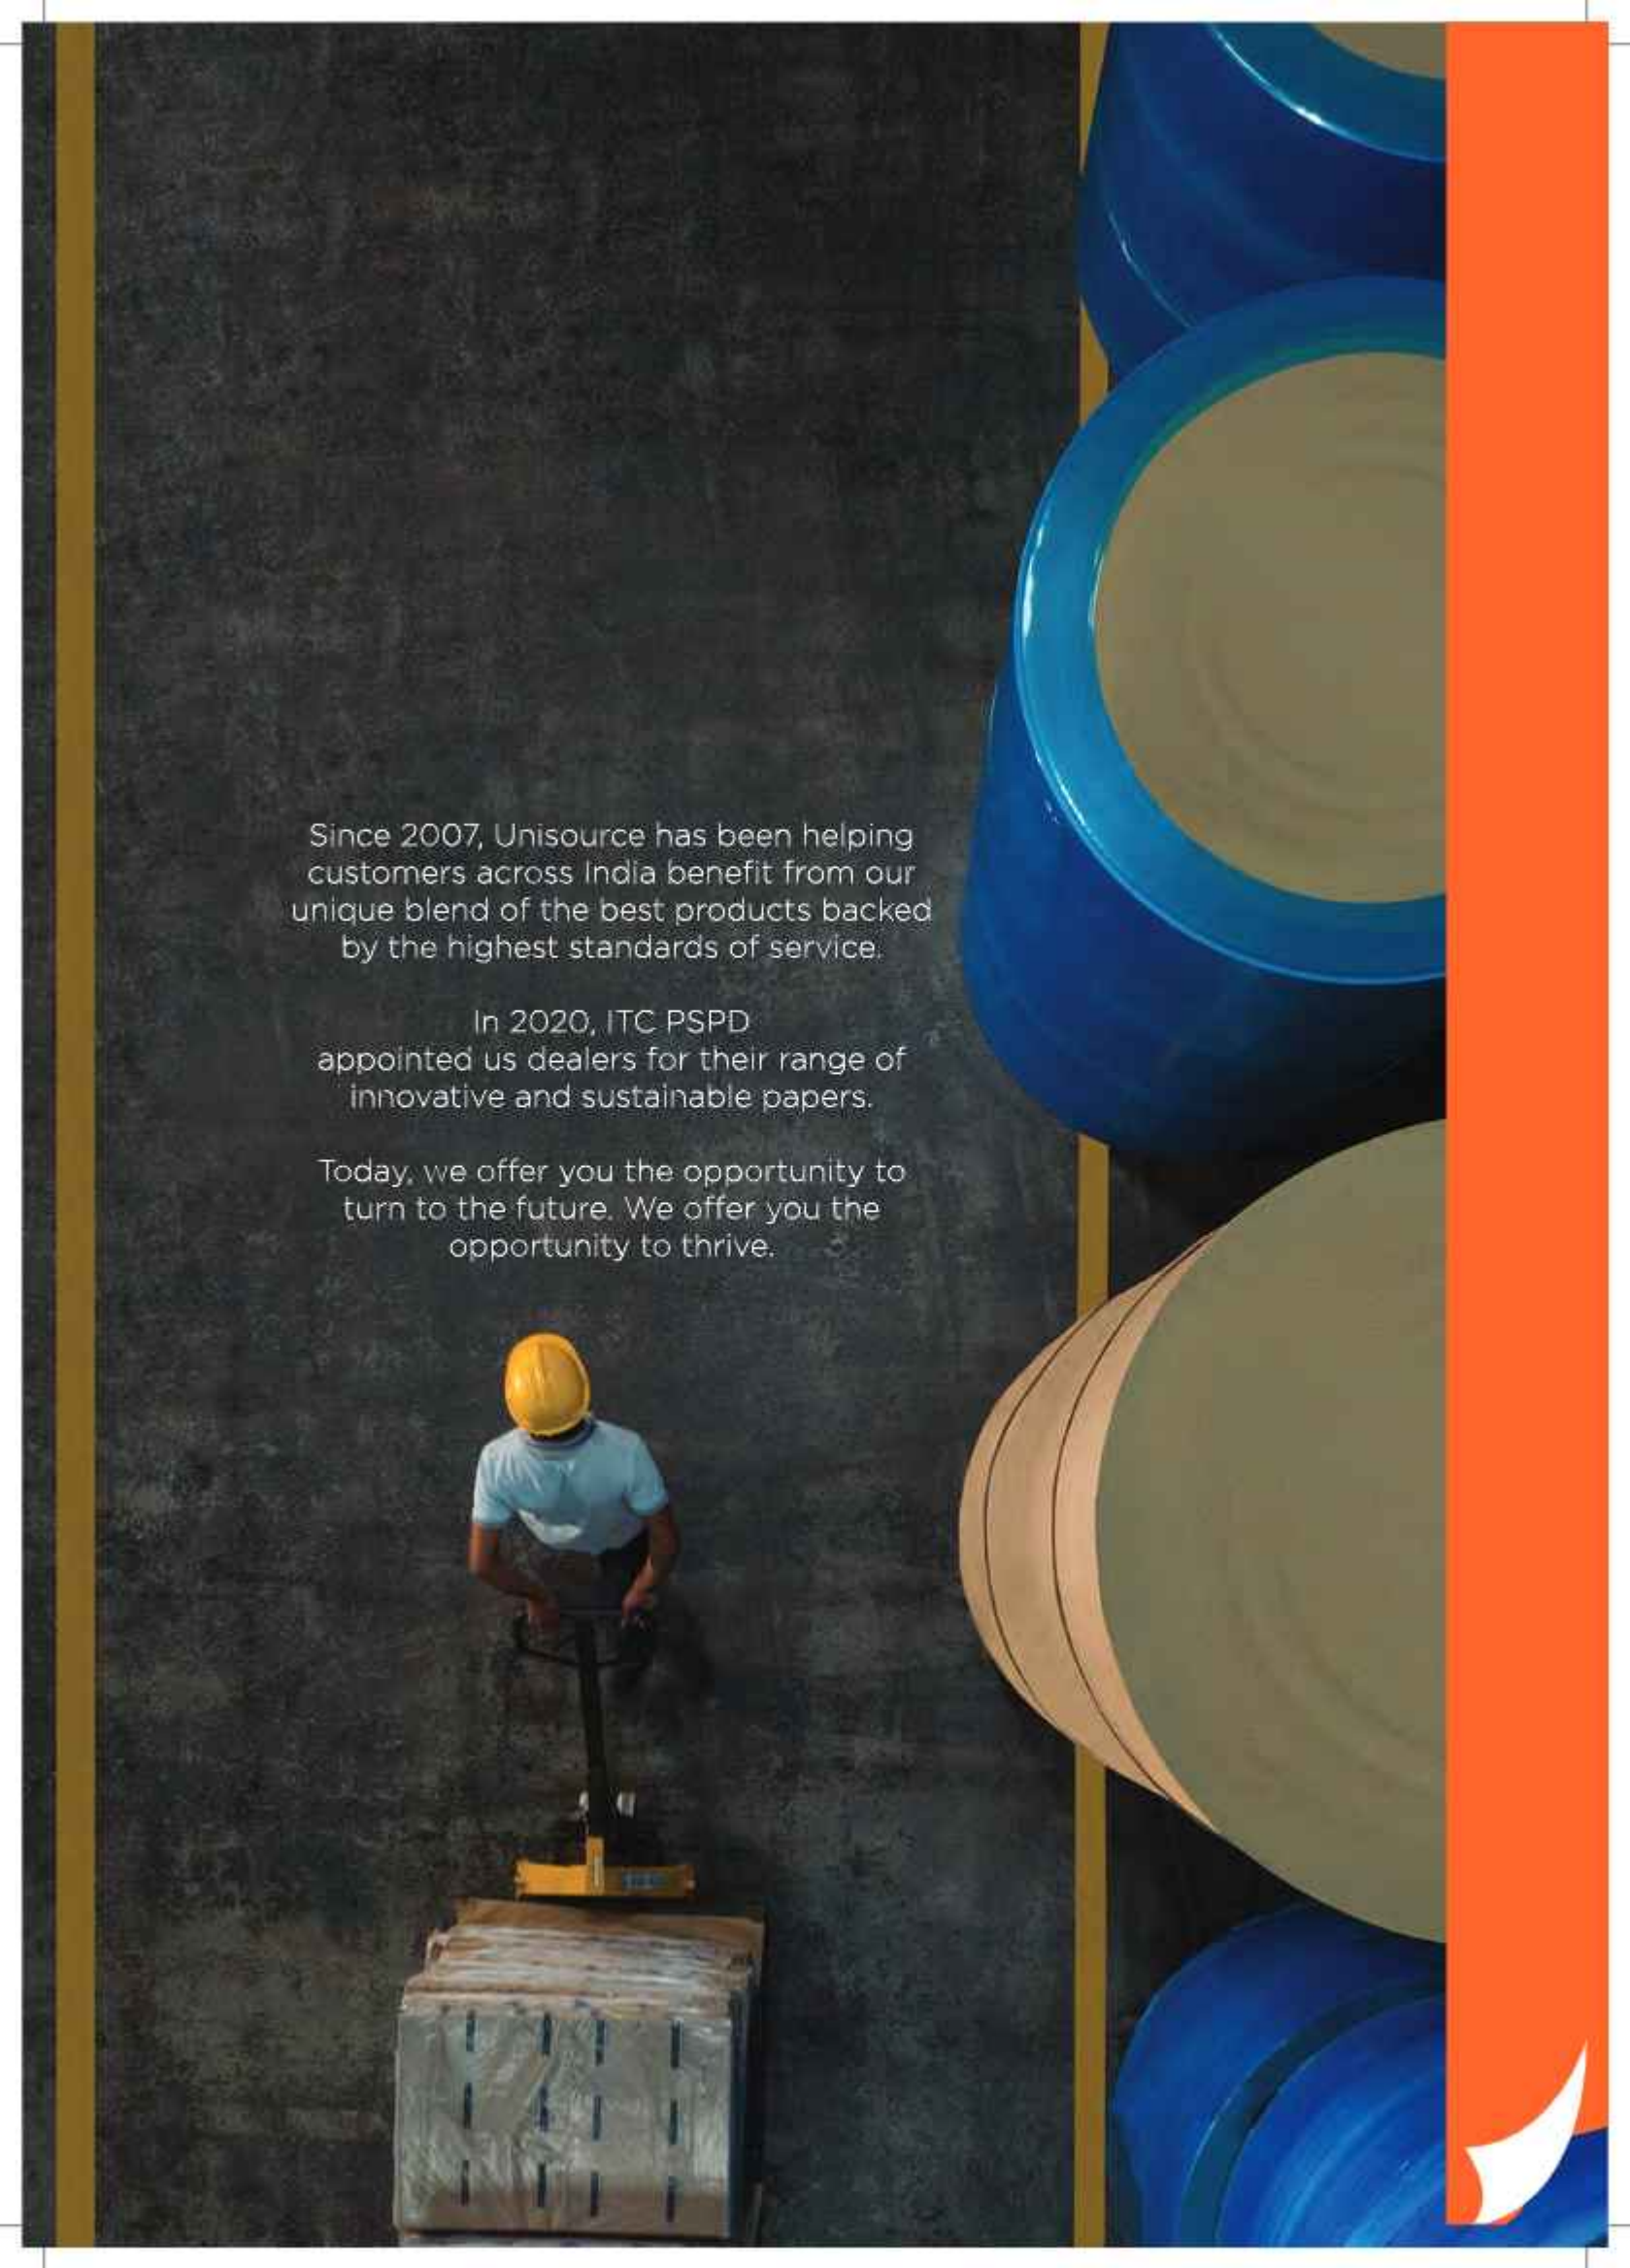

## WHY YOU SHOULD TURN TO US.

**17**  
years of  
success

**200+**  
team

**3**  
**units**  
across  
India

**50+**  
products

Since 2007, Unisource has been helping customers across India benefit from our unique blend of the best products backed by the highest standards of service.

In 2020, ITC PSPD appointed us dealers for their range of innovative and sustainable papers.

Today, we offer you the opportunity to turn to the future. We offer you the opportunity to thrive.

**LAXMI**  
BOARD & PAPER MILLS PVT. LTD.

## WHY DO WE THRIVE?

- We partner with the best names across the world
- We provide sustainable, innovative products
- We are competitive on both products and pricing
- We customise via the best in-house infrastructure at our factories across India
- We add value with our services
- We are dreamers about becoming India's No. 1 Fibre-To-Paper company

## HOW CAN WE HELP YOU THRIVE?

- By customising our imported papers across various GSMs, sizes, and quantities
- By stocking jumbo reels which we process via mill-class converting
- By servicing orders of all sizes, just in time, every time
- By offering emergency and spot requirements as well as new product trials
- By servicing even small MOQs of 500 kgs, letting small and medium customers access high quality imported papers

The mark of  
responsible forestry
